

# Preparing Families with Dogs for Life with Baby

Having a baby is a life changing experience for everyone, including the family dog. Dogs and Storks is the first national program that offers positive, practical, and fun

solutions to help families with dogs prepare for baby before baby arrives. The earlier you can prepare in your pregnancy, the higher likelihood of success.

**Monthly affordable Dogs and Storks workshops are now available at:**

**Dakin Pioneer Valley Humane Society**  
171 Union St. in Springfield, MA

**REGISTER** for the next workshop by calling 413-781-4000 ext. 129 or e-mail [jhaleyrose@dpvhs.org](mailto:jhaleyrose@dpvhs.org)
